### **Economics - WorldA**

In which Adriene Hill and Jacob Clifford teach you all about economics.

### **Economics - Simple English Wikipedia, the free encyclopedia**

Economics is about making choices. We make all kinds of choices every day. How much should I spend on gas? What's the best route to work? Where should we go for dinner? Which job or career should I go for? What are the pros and cons of finishing college versus taking a job or inventing the next ...

### **Economics | Undergraduate Study**

The PhD program in the Department of Economics at Harvard is addressed to students of high promise who wish to prepare themselves for careers in teaching and research in academia or for responsible positions in government, research organizations, or business enterprises. Students are expected to devote themselves full-time to their programs of study.

### **Economics E-Journal**
